Conclusion

Father in the Name of Jesus I thank You that the set time for favor on my life is now, I choose to walk in the favor of God in every area of my life. I am the righteousness of God because of what Jesus did for me on Calvary. Therefore, favor surrounds me as a shield. I thank You Father for favor causing promotion and increase. Because of divine favor I am increasing in real estate, both land and houses. Father I thank You that because of the supernatural favor on my life I am delivered out of conflict and disputes. Because You raise up my help, controversial matters designed to harm me are cancelled in Jesus name. Favor brings prominence and preferential treatment to me as others go out of their way to help me. Doors are opening for me according to divine favor for which I don't have natural credentials. You cause others to go out of their way to cater to me. Thank You Father that favor causes petitions and policies that would restrict my prosperity to be overturned causing me and my family to be blessed. I understand it is through Praise that I accelerate the favor of God in my life, so I honor You oh God. I worship You Father. I praise You, for You alone are worthy of praise, honor and glory. Thank You Father there is none like You. As Your child I have a right to come boldly before Your throne of Grace and find mercy and grace (favor) just When I Need It. In Jesus name, I thank You Father for the Supernatural Favor on my life, NOW in Jesus name.
